Library Closure

The Library will be closed from Friday, January 17 to Saturday, February 8.

We are closing to refresh the main part of the Library a bit. We have already started with some red paint on the far wall, but will add a bit more color in the staff areas as well as above the glass case. We will also be getting new carpet, and moving the shelves around a bit.

Temporary Location During Closure in the Lobby

Open Wednesday, Jan. 22-
Wednesday, Feb. 5 from 12-6

No Saturdays

To get started, stop by the Library to pick up a game board and a small treat. As you complete each square on the board, you will engage in winter activities, read some great books, and explore the community.

A grand prize will be given for a completed board. And at the end of the program, if at least half of your board is complete, there will also be a prize.
